For many years, Nita enjoyed working as a secretary to the principal at a Middle School. She also was a wonderful mother, hostess and cook. Most family celebrations and holidays took place in their home. Everyone was welcomed and comfortable because of Nita's easy style.

Charles became interested in Radio/TV while he served in the Army during WW II. After working in New York with NET, he became President and General Manager of WCET (the Public Broadcasting Station in Cincinnati). He loved all kinds of AV gadgets, woodworking, landscaping and gardening.

Charles and Nita were very involved in alumni activities for Norwood High School, their Alma Mater. They remained close to their high school friends all of their lives. Nita and Charles also loved to travel together. They enjoyed Hilton Head Island, SC, Nova Scotia, a trip to Europe and a wonderful cruise to Alaska.

Memorial:

The memorial funds were used for a fence for the preschool outdoor playground. The fence was installed as an eagle scout project by Matt Klenosky.
